**Bath's**®  
relation *with* water...

FAUCETS | SHOWERS | ACCESSORIES

PRICE LIST- 2024

Bath's deep relation with water, has given us a rich experience to give you the most elegant, durable, reliable and above all the most stylish bathroom fittings in the Indian Industry.

At Bath's the combination of ultra modern machinery, advanced technology, aesthetic designing, vast experience and highly skilled technicians produce world class products to ensure that every drop of water that flows through our fashionable taps, gives you the ultimate satisfying bathing experience.

Although all Bath's products come with a "5 Years warranty, we suggest to retain the original finish, shine and sparkle, and for longer life of the products, please do not use Acids, Salt or Vinegar based aggressive cleaning agents. However mild soap lather with clean water can be used to clean Bath's fittings.

Our domination over the Bathroom and Kitchen fitting market is a clear reflection of our strict quality control, dedication, best after sales service and a commitment to give you the best... always!!!

To avoid duplicacy, please check the hologram on the products to ensure originality.

"1 Year Warranty on Showers & Health Faucets".
